

Public Hearing – Continental Village Park & Water Districts  
November 7, 2018

The Town Board held a Public Hearing on the above date at 7:30 p.m. at the Town Hall, 238 Main Street, Cold Spring, New York. The purpose of the Public Hearing was to hear comments for/against the Proposed 2019 Budget for the Continental Village Park District and the Continental Village Water District.

**PRESENT:**

Richard Shea	Supervisor
Nancy Montgomery	Councilwoman
John Van Tassel	Councilman
Michael Leonard	Councilman
Robert Flaherty	Councilman
Susan Kenney	Town Comptroller

Town Clerk Merando read the Public Notice.

Michael Phelan, Superintendent of the Continental Village Park District addressed the Town Board stating that he broke the budget out to show the distribution by each of the three towns. He added that the total budget is \$168,005.00, which reflects the liability for the three towns. It is split accordingly for each town's responsibility. He then pointed out that the Town of Philipstown is still paying off the bond for the dam project, paying off the principal. The reason for the disparity between the total amounts of the project is due to the dam payment. It was noted that the loan is projected to become a statutory installment bond in 2019. Mr. Phalen noted that were slight increases for the lifeguards, himself and other personnel. One of the capital improvements planned for 2019 is to utilize the bridge that got washed out, will now be used as the boat launch. Renovation work on the basketball court along with new fencing. Supervisor Shea noted that the proposed budget is at 2%, noting that there is nothing glaring within the proposal.

Ralph Bassignani, Superintendent of the Continental Village Water District

There being no further comments from the public, Councilman Van Tassel made a motion, seconded by Councilwoman Montgomery to close the Public Hearing at 7:45 p.m.

Respectfully submitted by,

Tina M. Merando  
Town Clerk
