TOWN OF PHILIPSTOWN LOCAL LAW NO. OF 2013

A LOCAL LAW ESTABLISHING A SIX (6) MONTH MORATORIUM ON THE SUBMISSION AND PROCESSING OF APPLICATIONS FOR MAJOR WIND ENERGY CONVERSION SYSTEMS WITHIN THE TOWN OF PHILIPSTOWN.

SECTION 1. INTENT and AUTHORITY

This Local Law is adopted pursuant to the provisions of the Municipal Home Rule Law of the State of New York and Article 16 of the Town Law of the State of New York, with the procedural provisions of the Municipal Home Rule Law controlling.

SECTION 2. PURPOSE

A. The purpose of this Local Law is to enable the Town of Philipstown (the "Town") to prevent the submission and processing of any applications for Major Wind Energy Conversion Systems within the Town for a reasonable time for the Town Board to review, clarify, amend and update the Town's Special Permit and Accessory Use Regulations for Major Wind Energy Conversion Systems.

B. It is further the purpose of this Local Law to fulfill the Town's constitutional, statutory, and legal obligations to protect and preserve the public health, welfare, and safety of the citizens of the Town, as well as to protect the value, use and enjoyment of property in the Town by temporarily prohibiting the submission and processing of applications for Major Wind Energy Conversion Systems within the Town.

C. That to preserve the resources and character of the Town, to consider further the concerns of the residents and property owners of the Town, and to address further the needs of those residents and property owners, the Town finds that it will require some time to review, clarify, amend and update the Town's Special Permit and Accessory Use Regulations for Major Wind Energy Conversion Systems.

D. That the submission and processing of applications for approvals for Major Wind Energy Conversion Systems within the Town without first addressing the provisions in the Town Code pertaining to such uses may have a permanent, significant, and substantial negative impact on the nature and quality of life in the Town and on the health, safety, general welfare, and comfort of its residents.

E. The Town Board hereby finds that a moratorium of six (6) months duration, coupled with exempting pending applications from the moratorium and creating a hardship waiver procedure and mechanism for persons seeking Major Wind Energy Conversion System approvals within the Town, will achieve the balancing of interests between the public need to safeguard the resources and character of the Town, the health, safety and general welfare of its residents, and the rights of individual property owners, persons, or businesses engaging in various development activities during such period.

SECTION 3. IMPOSITION OF MARATORIUM

A. For a period of six (6) months from and after the effective date of this Local Law, except as provided in Sections 4 and 5 below, no new applications for Major Wind Energy Conversion System approvals shall be accepted or processed by the Town.

B. This moratorium may be extended by one (1) additional period of up to three (3) months by resolution of the Town Board upon a finding and a necessity for such extension, or may be terminated earlier if the Town Board determines by resolution that the purpose of the moratorium has been fulfilled.

SECTION 4. EXCEPTIONS

A. This Local Law shall not apply to the following:

1. Proposed accessory uses of Wind Energy Conversion Systems producing electricity and/or heat primarily for on-site use and not exceeding forty feet (40') in height.
2. Applications for Major Wind Energy Conversion System approvals that are pending before the Town Planning Board or Town Zoning Board of Appeals on the effective date of this Local Law.

SECTION 5. ALLEVIATION OF EXTRAORDINARY HARDSHIP

A. The Town Board may authorize exceptions to the moratorium imposed by this Local Law when it finds, based upon evidence presented to it, that deferral of action on an application for a Major Wind Energy Conversion System would impose an extraordinary hardship on a landowner or applicant.

B. An application for an exception based upon extraordinary hardship shall be filed with the Town Clerk, including a fee of five hundred and 00/100 Dollars (\$500.00) for each tax map parcel claimed to be subject to extraordinary hardship, by the landowner or the applicant, upon the consent of the landowner. The application shall provide a recitation of the specific facts that are alleged to support the claim of extraordinary hardship and shall contain such other information and/or documentation as the Town Board or its designee, shall prescribe as necessary for the Town Board to be fully informed with respect to the application.

C. A public hearing on any application for an exception to this Local Law based upon extraordinary hardship shall be held by the Town Board at a meeting of the Town Board no later than forty-five (45) days after the complete application for extraordinary hardship has been filed with the Town Clerk. The Town Board shall determine, by motion duly adopted, when an application based upon extraordinary hardship is complete.

D. In reviewing an application for an exception based upon a claim of extraordinary hardship, the Town Board shall consider the following:

1. The extent to which the proposed Major Wind Energy Conversion System presents safety concerns, would have negative visual impacts or may otherwise negatively affect public health or comfort.

2. Whether application of the moratorium will expose the property owner or applicant to substantial monetary liability to a third person.

E. Mere delay in obtaining approvals for Major Wind Energy Conversion Systems or concern that new regulations may be adopted precluding approval of a proposed Major Wind Energy Conversion System is insufficient to constitute an extraordinary hardship under this section.

F. At the conclusion of the public hearing and after reviewing the evidence and testimony placed before it, the Town Board shall, in its sole discretion, act upon the application for an exception based upon extraordinary hardship. The Town Board may approve, deny or approve in part and deny in part the application being acted upon.

SECTION 6. SUPERSEDING AND REPEALER PROVISIONS

This Local Law shall supersede the applicable sections of Article 16 of the Town Law, including, but not necessarily limited to Sections, 130, 261, 262, 263, 264, 265, 267, 268, 269 and 274-a, and Executive Law Section 381 to the extent inconsistent with the same and to the extent permitted by the New York State Constitution, the Municipal Home Rule Law or any other statute determined to be in conflict with the provisions hereof.

SECTION 7. SEVERABILITY

If any clause, sentence, paragraph, word, section or part of this local law shall be judged by any court of competent jurisdiction to be unconstitutional, illegal or invalid, such judgment shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, word, section or part thereof directly involved in the controversy in which judgment shall have been rendered.

SECTION 8. EFFECTIVE DATE

This Local Law shall become effective upon filing with the Secretary of State of the State of New York subsequent to having been duly adopted by the Town Board.
