

Monthly Town Board Meeting
October 6, 2016

The Town Board held their Monthly Meeting on the above date at 7:37p.m., at the Town Hall, 238 Main Street, Cold Spring, New York 10516.

PRESENT:

Richard Shea	Supervisor
John Van Tassel	Councilman
Michael Leonard	Councilman
Robert Flaherty	Councilman
Nancy Montgomery	Councilwoman

Supervisor Shea opened the meeting with a salute to the Flag.

REVIEW OF MINUTES

Minutes of the Monthly Town Board Meeting of September 8, 2016 were reviewed.

Councilman Van Tassel made a motion, seconded by Councilwoman Montgomery that the Minutes of the Monthly Town Board Meeting of September 8, 2016, are hereby approved as presented.

Minutes of the Weekly Town Board Meeting of September 14, 2016, were reviewed.

Councilman Flaherty made a motion, seconded by Councilman Leonard that the Minutes of the Weekly Town Board Meeting of September 14, 2016, are hereby approved with Councilwoman Montgomery abstaining.

Minutes of the Bid Opening of September 29, 2016, were reviewed.

Councilman Leonard made a motion, seconded by Councilwoman Montgomery that the Minutes of the Bid Opening of September 29, 2016, are hereby approved as presented. Supervisor Shea stated that, unfortunately, the bid opening came in more than double what the Town had figured would be the cost for the project.

COMMITTEE REPORTS

CONSERVATION BOARD: Councilman Leonard reported that the Board did site visits on September 12, 2016. The Board met on September 13, 2016 with a full agenda. Councilman Leonard made a general suggestion that anyone who is considering construction or alterations should take note of any surrounding waterways on or off your property. The Annual Stormwater meeting in Continental Village was held on September 22, 2016. The Councilman reported that a site visit was made to the Banker property on 9D along the Hudson River. The Conservation Board will meet again on October 11, 2016.

RECREATION: Councilman Van Tassel attended the October 4th meeting of the Recreation Commission. Financial reports and minutes were reviewed and approved. Amber reported that the Senior Luncheon is scheduled for Wednesday, October 19, 2016 and 85 seniors have already signed up. Haldane pre and after school programs have started well with 14 students attending each program. Friends of Philipstown Rec. reported that the Winter Carnival is scheduled for February 11, 2017. The 5K which is usually held in the fall has been cancelled due to lack of assistance in running it. The

Monthly Town Board Meeting
October 6, 2016

Commission is in discussion about some major projects for the Recreation Center including renovating the gym floor and replacing the liner for the ice rink. The next meeting of the Commission will be held on October 25, 2016 at the Recreation Center.

RECYCLING: Councilwoman Montgomery stated there is nothing new to report; every month it gets picked up and taken to where it needs to go. The Councilwoman suggested the item be taken off the agenda until a time when the board is ready to initiate enhancing the program. Councilwoman Montgomery added that the program is running smoothly; she communicates regularly with Carl, Highway Superintendent. An attempt was made to set up a regular schedule with Vintage Tech, but it is not possible at this time.

PLANNING BOARD: Councilman Flaherty attended the September 15th meeting of the Planning Board. First on the agenda was Gex, who asked for yet another extension. Next was Philipstown Square, which was referred to the Putnam County Planning Board. Last on the agenda was Della Valle; a site visit is planned for October 16, 2016 at 9:30. The Planning Board will meet again on October 20, 2016. Councilwoman Montgomery questioned whether the Planning Board still forwards applications to the Fire Departments. Councilman Flaherty stated he was unaware if this took place. Councilwoman Montgomery asked that this be suggested to the members of the Planning Board.

ZONING BOARD: Councilman Van Tassel attended the September 12th meeting of the Zoning Board of Appeals. There were 4 (four) cases before the Zoning Board: Stephen Flavin, Christopher & Maria Marrison, Kristen E. Sorenson, and Ezra & Carrie Firestone. Video and minutes of the meeting are available on the Town website. The next meeting of the ZBA has been moved to October 24, 2016 at 7:30 at the Recreation Center.

HIGHWAY: Councilman Van Tassel read the Highway Report submitted by Carl Frisenda, Highway Superintendent, which is on file in the Town Clerk's Office.

BUILDING & LAND ACQUISITION: Supervisor Shea stated he has been back and forth with Justin R. Kacur who is finalizing the plans for the Dahlia House and should have them in the next week or so. Once received and reviewed, Ron Gainer can put together a bid packet.

CEMETERY COMMITTEE: The Committee met on September 13, 2016. Restorations at the Mountain Avenue cemetery continue to take place. The Putnam County Cemetery committee came over on August 17th and toured the Town cemeteries and had a discussion with the Committee members. Councilman Leonard stated that they are in the process of studying the mapping of each of the cemeteries in Philipstown, verifying their accuracy. Councilman Leonard spoke with the stonemason and discussed plans to begin work on November 1, 2016 at the Mountain Avenue Cemetery. On October 15, 2016 the committee will be meeting at Mountain Avenue Cemetery at 9:00 am to review and decide which additional stones will be repaired this fall. The Councilman added that on October 12, 2016 the committee will be going to Putnam Valley. The Committee would like to visit each of the Town's in the County to observe inspections to learn what information they have. The next meeting of the Cemetery Committee will be held October 11, 2016.

PUTNAM COUNTY LEGISLATOR: Putnam County Legislator Scuccimarra was unable to attend due to a scheduling conflict.

Presentation by Jennifer Daly, President of the Haldane School Board.

Supervisor Shea welcomed Jennifer Daly who introduced herself as the President of the Haldane School Board. She was in attendance to provide information to the community about getting involved in and becoming knowledgeable about the governance of our school. She stated that about 2 (two) years ago the board adopted 'Boarddocs' which is an online software system that is accessible to everyone and anyone. The site can be accessed right through the school's website, Haldaneschool.org. Haldane School Board Agendas, meeting videos and meeting minutes can all be accessed through the 'Boarddocs' site. She provided small informational papers to the Board as well as the audience reiterating the steps to follow in order to access the 'Boarddocs' site. Councilman Van Tassel noted that Haldane was just named a Blue Ribbon School and asked Mrs. Daly to explain a little bit about it. Mrs. Daly stated that the High School was awarded the National Blue Ribbon award, which typically is not awarded to High Schools. She noted that the award isn't something that the school applies for, but has to be nominated for, so it is a great honor not just for the school, but also for the whole community.

AGENDA

1. Alex Dubroff to address the Town Board regarding a proposed Safe Storage Ordinance for firearms.

Alex Dubroff thanked the Board for allowing the presentation on the proposed Safe Storage Law for the Town of Philipstown. She introduced herself and stated she is a resident of Cold Spring with 2 children and a husband, and that she has been involved in gun prevention for about 4 years, since the Sandy Hook massacre. She started by stating that the law being proposed for Philipstown is straightforward: If a weapon is outside the immediate possession or control of its owner, it must either be locked in a safe or secured with a gun-locking device. She supplied many statistics in regards to gun safety and storage in New York State as well as National statistics, which are on file in the Town Clerk's office. She compared the safety precautions that are implemented with medicine bottles and seatbelts in cars to the precautions she believes should be implemented in the storage and handling of firearms. Mrs. Dubroff provided many statistics on suicide, which are also on file in the Town Clerk's office. She added that from a legal perspective, this is not a groundbreaking law as similar laws have already been passed in Rochester, Syracuse, Buffalo, Westchester County, New York City and Saratoga Springs. The City of Beacon is currently considering a safe storage law. She states that, for the Putnam County pistol permit holders, the proposed law would support the requirement from the Putnam County Sheriff to have a safe storage depository securely bolted to the floor or the wall, secured by a padlock or combo lock; Right now, the only license requirement is to own such safe, its use is not required. Mrs. Dubroff added that this law would likely become most relevant if there was an accident, a crime resulting from an unsecured gun, or if law enforcement was in your home for another reason and sees an unsecured gun. The end goal is to make safe storage of a firearm as routine as putting on a seatbelt when entering a vehicle. Mrs. Dubroff added that Safe Storage laws have withstood multiple court challenges in Massachusetts as well as California. She ended by applauding the Board for their consideration of the law, adding that it may just save a life.

Supervisor Shea thanked Mrs. Dubroff for bringing this law to the attention of the Board, noting the importance of the issue. He added that, judging by the number of people in attendance, there is a high level of interest in the issue and that the Board will take serious consideration when discussing the issue. Supervisor Shea then opened the floor to the public.

Monthly Town Board Meeting
October 6, 2016

Many members of the public spoke in support of the proposed Safe Storage law, some of them providing County, State and National Statistics and others providing personal experiences with gun violence. These members included Stan Freilich, Felicia Saunders, Frank Geer, Kathleen Foley, Priscilla Goldfarb, Maryann Benjamin, Carol Marquand and Carolyn Llewellyn. Some of these members of the public supplied the Board with copies of statistics, which they obtained. These documents can be found on file in the Town Clerk's office and include:

- Putnam County Sheriffs Department - Statistics on gun related deaths, injuries and offenses and guns reported lost or stolen
- American Academy of Pediatrics – “Firearm-Related Injuries Affecting the Pediatric Population”
- American Academy of Pediatrics – “AAP Renews Commitment to Preventing Gun Injuries in Children”
- American Public Health Association – “Gun Violence”
- American Academy of Pediatrics – 9 Month Visit Questionnaire
- HealthyChildren.Org – “Reduce the Risk of Gun Injury”
- HealthyChildren.Org – “Handguns in the Home”
- Health.NY.Gov – “Unintentional Firearm Injury Prevention, Children Ages Birth to 19 Years
- Putnam County Health Department Newsletter from Winter/Spring 2015
- Pamphlets from the Putnam County Suicide Prevention Task Force
- Harvard T.H. Chan School of Public Health – “Means Matter”
- The Hastings Center – “Mildred Solomon Challenges Graduates to ‘Recalibrate the Tension between Liberty and Community’”
- Documents from the Law Center to Prevent Gun Violence
- A copy of a pistol permit application from the Putnam County Sheriff's Department including the requirements for an upgrade to full-carry
- “The Trace” – a compilation of statistics from various sources
- A copy of the proposed self storage law for Philipstown
- New York SAFE Act provision of Safe Storage
- A petition signed by over 400 members of Philipstown in Support of the proposed law on safe storage of firearms
- A letter of support from Andy Chmar, read at the meeting by Carol Marquand
- Letters from members of the community

Supervisor Shea then closed the floor to public comment, but added that this was not the end of the discussion and that at least one workshop would be held on the issue. Councilman Van Tassel added that the adoption of a law would also require a public hearing. Supervisor Shea noted that, as with any law, a certain process must be followed. Councilwoman Montgomery noted that she had received letters submitted to the Board written by individuals who were unable to attend the meeting and asked anyone who didn't have the opportunity to speak, but wished to, to submit their comments in writing. The Councilwoman went on to thank everyone for coming out and expressing their concern on the issue. Councilwoman Montgomery commended the Supervisor for work done in the past in relation to the gun issue. Supervisor Shea added that this is not the first time these discussions have taken place; the board has adopted policies banning firearms in the Town Hall, any of the Town Parks, or on any Town Properties.

Presentation by Bruce Secor from Stantec with regard to the Negative Declaration for the Manitou Station Road Construction Project

Bruce Secor from Stantec was in attendance to answer any questions in regard to the Negative Declaration for the Manitou Station Road Construction Project. Mr. Secor stated briefly that this section of road lies between the railroad tracks and is somewhat sinking into the swamp. He noted that the project must be done in stages to allow for settling. When finished, it will lay a foot and a half above flood stage of the river. The road lies in a wetland area and DEC permits will have to be obtained. The first phase will be to put some fill in to get it up to elevation so when it is time to put the culverts in, the difference in elevation is minimal. Supervisor Shea added that the Town did attempt to partner with the County as well as Metro North however neither was interested. The county owns the wetland south of the road and essentially the reason for this problem is that wetlands do not drain therefore causing the Town road to flood. Supervisor Shea questioned whether the project would extend beyond the parameters of the road. Mr. Secor stated that the project would stay within. Councilman Van Tassel added that with even a small elevation in the road level (phase 1 of the project), roughly 95% of the regular flooding that occurs in the homes along this road would subside. Mr. Secor recommended that the Town retain the services of a Mr. Patten(?), who is a soil engineer, to do further soil borings. Supervisor Shea stated that this was necessary in order to continue with the project. Councilman Leonard questioned if the culverts would be larger than the existing ones and Mr. Secor answered that they would be larger. Mr. Secor stated that nothing new is being built and the project would stay within the parameters of the already existing road, therefore the Board is in good standing to declare a Negative Declaration. Mr. Secor suggested that during construction a weight limit be posted for the road. He added that once the road is complete, a weight limit would not be necessary.

RESOLUTION #152-2016

RESOLUTION ADOPTING NEGATIVE DECLARATION UNDER SEQRA

WHEREAS, the Town of Philipstown is undertaking a project to raise a 600 ft section of Manitou Station Road across a tidal wetland near the Hudson River by approximately 5ft to mitigate historic flooding of this section of roadway. The project will include the installation of two (2) 48" high x 72" wide concrete culverts to provide hydraulic and environmental connection of the tidal wetlands on each side of the roadway (hereinafter Manitou Station Road project); and

WHEREAS, the Manitou Station Road construction project is an action subject to SEQRA; and

WHEREAS the Town conducted a coordinated SEQRA review for this Unlisted Action in which the Town acted as the lead agency; and

WHEREAS, the Town Board has caused to be prepared a short Environmental Assessment Form ("EAF"); and

WHEREAS, the Town Board, in coordination with the Town Highway Department and the Town's consultants has taken the requisite "hard look" at potential adverse environmental impacts of the project.

NOW, THEREFORE, BE IT RESOLVED as follows:

Monthly Town Board Meeting
October 6, 2016

1. That the Supervisor is hereby authorized to sign the EAF, and
2. That after considering all of the information presented to it including the EAF the Town Board hereby adopts the Negative Declaration attached hereto in regard to the Manitou Station Road project.

Councilwoman Montgomery presented the foregoing resolution, which was seconded by Councilman Flaherty,

The vote on the foregoing resolution was as follows

Nancy Montgomery, Councilwoman	voting AYE
John VanTassel, Councilman	voting AYE
Robert Flaherty, Councilman	voting AYE
Michael Leonard, Councilman	voting AYE
Richard Shea, Supervisor	voting AYE

STATE ENVIRONMENTAL QUALITY REVIEW

NEGATIVE DECLARATION

NOTICE OF DETERMINATION OF NON-SIGNIFICANCE

October 6, 2016

This notice is issued pursuant to Part 617 of the implementing regulations pertaining to Article 8 (State Environmental Quality Review Act) of the Environmental Conservation Law.

The Town of Philipstown Town Board, as Lead Agency, has determined that the proposed action described below will not have a significant environmental impact and a Draft Impact Statement will not be prepared.

Name of Action: Manitou Station Road project.

Action Type: Unlisted Action

Conditioned Negative Declaration: No

Description of Action: The Town of Philipstown Highway Department proposes to (1) place an average of 5 ½ feet of fill along the low-lying area of the roadway between wetland systems in stages to allow for the settlement of underlying soils, (2) install two 48" x 72" concrete box culverts to equalize elevations in the wetlands system to be placed on piles to prevent any future settlement, (3) install rip rap side slope protection, (4) install guide rails, and (5) install asphalt pavement.

Monthly Town Board Meeting
October 6, 2016

Contact Person: Richard Shea, Supervisor, Town of Philipstown, Town Hall, 238 Main Street, P.O. Box 155, Cold Spring, New York 10516.

Location: Manitou Station Road from the intersection of Mystery Point Road to the rail road tracks in the Town of Philipstown, Putnam County, NY

Reasons Supporting Negative Declaration: The Town has carefully reviewed the EAF and the facts regarding the proposed roadway improvements, and has determined that they are minimal in nature and do not pose any potential for significant adverse environmental impacts.

2. Resolutions needed to adopt proposed Local Law Chapter 163, Vehicles and Traffic

RESOLUTION #153-2016

The following Resolution was presented by Councilwoman Montgomery, seconded by Councilman Flaherty and unanimously carried;

WHEREAS, the Town Board of the Town of Philipstown has given due consideration to amend the Code of the Town of Philipstown, Chapter 163 thereof entitled a Local Law to amend Town Code Chapter 163 “Vehicles and Traffic” to Codify the existing Town Vehicle and Traffic Law and to permit the addition of further traffic regulations by Resolution; and

WHEREAS, this action is a routine of continuing agency administration and management action that does not include new programs or major re-ordering of priorities;

NOW, THEREFORE, BE IT RESOLVED, that this action is a Type II Action, as defined under NYCRR Part 617.13d, which is an action or class of actions which have been classified by the State of New York to not have a significant effect on the environment and thus do not require environmental impact statements or other determination or procedures under Part 617 of the Environmental Conservation Law.

RESOLUTION #154-2016

The following Resolution was presented by Councilman Flaherty, seconded by Councilman Leonard;

WHEREAS, heretofore the Town Board has considered the adoption of Local Law No. 2 of the year 2016 entitled: A Local Law to Amend the Town Code Chapter 163 “Vehicles and Traffic” to Codify the Existing Town Vehicle and Traffic Law and to Permit the Addition of Further Traffic Regulations by Resolution; and

WHEREAS, following due notice the Town Board held a public hearing on the proposed local law on October 6, 2016;

NOW, THEREFORE, BE IT RESOLVED as follows: That the Town Board does hereby adopt Local Law No. 2 of the year 2016 entitled: A Local Law to Amend the Town Code Chapter 163 “Vehicles and Traffic” to Codify the Existing Town Vehicle and Traffic Law and to Permit the Addition of Further Traffic Regulations by Resolution; and which said local law shall be effective upon publication, posting and filing in the office of the Secretary of State in Albany.

The vote on the foregoing resolution was as follows:

ROLL CALL VOTE

Richard Shea, Supervisor	Aye
Nancy Montgomery, Councilwoman	Aye
John Van Tassel, Councilman	Aye
Michael Leonard, Councilman	Aye
Robert Flaherty, Councilman	Aye

The resolution was thereupon declared duly adopted.

3. Resolution authorizing Supervisor Shea to sign the 2015 Sponsor Authorization Form for the Garrison Volunteer Ambulance Corps. Length of Service Award Program.

Supervisor Shea thanked all the members for their service.

RESOLUTION #155-2016

The following Resolution was presented by Councilman Van Tassel, seconded by Councilwoman Montgomery and unanimously carried;

RESOLVED, that the Town Board hereby authorizes Supervisor Shea to sign the 2015 Sponsor Authorization Form for the Garrison Volunteer Ambulance Corps Length of Service Award Program.

4. Resolution authorizing Town Clerk Merando to advertise for the Highway Department's Material Bids for 2017.

RESOLUTION #156-2016

The following Resolution was presented by Councilman Leonard, seconded by Councilwoman Montgomery and unanimously carried;

RESOLVED, that the Town Board hereby authorizes Town Clerk Merando to advertise for bidders for the 2017 Highway Materials.

Councilman Flaherty noted that there had been a discussion with the Highway Superintendent Carl Frisenda concerning some newer materials to be used. Supervisor Shea and Councilman Van Tassel commented on the new material that had been used as a base coat for some roads. Highway Superintendent Frisenda confirmed this.

5. Code Enforcement Monthly Report

Town Clerk Merando read the report, which is on file in the Town Clerk's office.

6. Schedule Workshops/Meeting

Budget Workshops 7:00 PM

October 12, 2016 – Cold Spring Fire

Monthly Town Board Meeting
October 6, 2016

Continental Village Fire

Philipstown Ambulance Corp.

Garrison Ambulance Corp.

Highway

October 18, 2016 – Wetlands Interviews 8:00 PM

Schedule Public Hearing for the 2017 proposed budget (suggested date November 9, 2016)

RESOLUTION #157-2016

The following Resolution was presented by Councilman Van Tassel, seconded by Councilman Flaherty and unanimously carried;

RESOLVED, that the Town Board hereby authorizes Town Clerk Merando to schedule a Public Hearing for the 2017 proposed budget for November 9, 2016 at 7:30 pm.

7. Resolution of opposition re: Rest stops for commercial Vessels on the Hudson River

Supervisor Shea expressed how pleased he was to see this on the agenda for the evening; the River is beat up enough. Councilwoman Montgomery added that the Resolution was drafted and forwarded to us from the Director of Clearwater, and that Congressman Maloney has introduced legislation that would immediately prevent expanding anchorage sites. Councilman Van Tassel expressed his confusion over the need for expansion and lack of explanation. Councilman Leonard expressed a concern over how well lit these sites would be, noting the fairly recent accident that occurred by the Tappan Zee bridge. Supervisor Shea added that there is no “up-side” for the Town if this occurs; many people come here for the scenic beauty, which these barges would greatly hinder. Councilwoman Montgomery noted that the public comment period has been extended to December 6, 2016 and encouraged the public to submit their comments.

RESOLUTION #158-2016

The following Resolution was presented by Councilwoman Montgomery, seconded by Councilman Flaherty;

WHEREAS, in June 2016, the U.S. Coast Guard announced that it was soliciting comments and concerns from the public on a proposal to establish a large number of anchorage grounds for commercial vessels in the Hudson River that commercial tankers would use as rest stops; and

WHEREAS, research shows that the habitats of some fish have been affected by previous anchorage sites. Vessels containing volatile crude oil and petroleum products pose a serious risk. An anchored boat containing these hazardous materials could catch fire or spill toxic oil in the river. The health of

Monthly Town Board Meeting
October 6, 2016

communities that use the Hudson River for drinking water will be threatened. The sites would also take a toll on the scenic beauty of our region; at least three locations would block the view from popular tourist attractions. Moreover, many in our community are concerned about the impact of constant noise, light and smoke from anchored boats, as many of the proposed sites are nearby homes and businesses; and

WHEREAS, the said proposal would create health, safety environmental and economic problems for Hudson River communities;

NOW, THEREFORE, BE IT RESOLVED, that the Town of Philipstown hereby states its firm and unequivocal opposition to the proposed anchorages and urges the U. S. Coast Guard to conduct public meetings and include this document as a statement of our position.

ROLL CALL VOTE

Richard Shea, Supervisor	AYE
Nancy Montgomery, Councilwoman	AYE
John Van Tassel, Councilman	AYE
Michael Leonard, Councilman	AYE
Robert Flaherty, Councilman	AYE

The resolution was thereupon declared duly adopted.

8. Any other business that may come before the Town Board.

Councilman Flaherty thanked Justice Alan Steiner for all his years of service as well as Justice Tomann for covering Justice Steiner's remaining court dates. Supervisor Shea also expressed his thanks and appreciation to Justice Steiner.

Councilwoman Montgomery added that she attended the Philipstown Cares Coalition meeting. The Coalition took a planning break over the summer and came up with a new website. October 23-31, 2016 is red ribbon week, an initiative to combat the growing drug crisis.

Councilman Van Tassel attended the Putnam County Traffic Safety Board meeting where he brought up an issue regarding the possible installation of a flashing light at route 9 and East Mountain Road North. The state DOT was there and is going to go out to the site and review it. The Councilman also reported that the signs are being replaced and renumbered along the entire length of the Taconic State Parkway. The bridge at Pudding Street was on the agenda for 2021 but has now been pushed up to 2018. The Councilman reported that the number of fatalities for Putnam County is at a record low with just 2.

Councilman Flaherty reported that he has received about \$3,300.00 in donations for the Betty Budney Memorial. It is still being decided what to put on the memorial bench, but the Councilman expects to finalize everything in the next few weeks.

Supervisor Shea gave an update on the Washburn Parking Lot for the Fjord Trail. He will be attending the pre-construction meeting Tuesday morning with New York State, DOT, Parks, Ron Gainer and the contractor.

AUDIENCE

Kathleen Foley addressed the Board. She thanked Councilman Leonard for the work done on the local cemeteries. She questioned when the missing coin on the corner of the building would be replaced. Councilman Van Tassel responded that he has been in contact with some local contractors who have not returned his calls. It was the Boards intent to use a local contractor, but will be looking outside of Town at this point. Councilman Van Tassel said he would ensure that it is covered before the start of winter.

VACANCIES

Wetlands Inspector (1)

APPROVAL OF VOUCHERS

Councilwoman Montgomery made a motion, seconded by Councilman Leonard and unanimously carried that the General Vouchers in the amount of \$80,466.62 are hereby approved as set forth in Abstract 9A & 10.

Councilman Flaherty made a motion, seconded by Councilman Leonard and unanimously carried that the Highway Vouchers in the amount of \$112,100.31 are hereby approved as set forth in Abstract 9A & 10.

Councilman Leonard made a motion, seconded by Councilman Flaherty and unanimously carried that the CVPD Vouchers in the amount of \$4,513.98 are hereby approved as set forth in Abstract 9A & 10.

Councilman Leonard made a motion, seconded by Councilman Van Tassel and unanimously carried that the CVWD Vouchers in the amount of \$4,151.47 are hereby approved as set forth in Abstract 10.

There being no further business to discuss, Councilwoman Montgomery made a motion, seconded by Councilman Leonard to close the Monthly Meeting at 9:20 p.m.

Respectfully submitted by,

Tara K. Percacciolo
Deputy Town Clerk
