To Whom It May Concern,

We are neighbors of variance applicant Daniel Ward of #69 Hy Vue Terrace Cold Spring, Town of Philipstown, NY. We reside at 60 Hy Vue Terrace. We are writing to express our support for Mr. Ward's application for a variance to install an 8 foot high fence on his property line adjoining #59 Hy Vue Terrace. We understand the need for this fence installation and do not feel it will compromise the character of the neighborhood in any way. Please consider our support when reviewing the above mentioned application.

Sincerely,

Briana & Kenny Barton
