PUBLIC HEARING

- 1) **DEAN ANDERSON and JOSEPH LIBONATI:** **Appeal #873** for a Variance. Applicants seek to subdivide the property they co-own. The property is to be subdivided into two lots. Lot 1 of the proposed subdivision, the larger part of which lies within the R-40 Zoning District will conform to the current R-40 requirements. Lot 2 of the proposed subdivision, the larger part which lies within the R-80 Zoning District, cannot be made to conform to the current R-80 zoning requirements due to the recent changes in zoning requirements that place environmental restrictions on some of the area. Applicants seek relief from either Section 175-30B(2) to allow the wetland to be part, 16.6% of the required square; or, alternatively, applicants seek relief from Section 175-30A to reduce the size of the required square from 200 feet to 132 feet or a 34% reduction.
